Hesston Mennonite Church
10-20 hours weekly

Purpose: To provide leadership, energy, planning, direction, communication, and implementation for the faith and relational development in the youth (grades 5-12) of our congregation and in reaching out to others in our community.

Values and principles: Nurturing Anabaptist/Mennonite practice of Christian faith while cultivating the unique spiritual potential within everyone.

Also, having a working knowledge (and willingness to learn more) of the Bible and Anabaptist/Mennonite faith while being committed to communicating, delegating, motivating and leading others. Being a team player who is self-aware and capable of self-reflection is important. (Knowledge and experience with technology/website use would be very helpful!)
